

It's time to register your consent for the proposed University Pension Plan (UPP). In the coming weeks, you should receive your UPP Transition Notice Package by mail to your home address. When you receive yours, if you support the conversion to the UPP, please **complete and return the consent form** as soon as possible.

The package includes information about your individual pension entitlements based on your pension plan status as of September 30, 2018.

Consent form due June 28, 2019

Conversion to the UPP involves transferring the assets of the University of Guelph's pension plan to the newly established UPP. This process is governed by the Ontario Pension Benefits Act and requires a specific level of consent from active plan members to proceed.

If you **support the conversion** to the UPP:

- You must complete and return your consent form.
- The form must be received no later than the end of the day on June 28, 2019.
- Not returning your consent form is counted as a vote against the proposed UPP.

What you need to do

In the next few weeks, you should:

1. Carefully review the contents of your Notice Package. Visit the UPP website at www.universitypension.ca for more information about the UPP and the conversion process.
2. Decide whether you support the conversion to the UPP.
3. If you support the conversion, complete the consent form and mail it using the enclosed pre-addressed return envelope. It must be received by **June 28, 2019**.

Please note: Every effort has been made to provide complete and accurate information in your Notice Package, based on your status on September 30, 2018. Should you notice any discrepancies, please contact Human Resources (Total Compensation) 519-824-4120 x 52142.

IMPROVE LIFE.
