Re: **UPP notice package arriving soon**

In the coming weeks, you should receive your University Pension Plan (UPP) Transition Notice Package by mail to your home address.

This package will include information about your individual entitlements, based on your pension plan status as of September 30, 2018.

The UPP conversion involves transferring the assets of your University of Toronto Pension Plan to the newly established UPP. This process is governed by the Ontario Pension Benefits Act and requires a specific level of consent from active plan members to proceed.

Your union will register its decision on the proposed UPP conversion in the weeks ahead.

Once received, simply review the contents of your Notice Package. We also encourage you to visit the UPP website at www.universitypension.ca for more information about the UPP and the conversion process.

Please note: Every effort has been made to provide complete and accurate information in your Notice Package, based on your status on September 30, 2018. Should you notice any discrepancies, please contact University of Toronto Pension Services at 1-888-852-2559 (between 8:30 a.m to 5:00 p.m. EST, Monday to Friday).
